PERSONAL PROJECTS

INVENTORY Management System (SQL) - link

- created a database named inventory management system
- created 5 tables names suppliers, product, stock, orders and customer.
- Used sequences and function to create autogenerated id's for all the tables.
- Used different triggers (update, insert) so that all the tables stays interconnected.
- Created different procedure for insertion of the data, so that database become more user friendly.

TELENGANA GROWTH ANALYSIS (Power Bi) - (link)

- Used Data of different districts. Used different tools (DAX, Data Transformation, Data Cleaning, Data Visualization) to create meaningful report. Used different techniques of Excel for Data Cleaning. Used visuals to make report more user interactive (Slicers and Advance Visuals like Play Axis and Scroller).
- Find correlation among these departments and report the overall growth of the state through insights and relevant visuals such as shape maps.
- Used maps for showing trends.
- Explore Stamp Registration, Transportation and T5-Jpass Datasets. Understand their attributes, categories and time period.
- Analyze trends and patterns within each department.

Tableau (link)

- Created interactive dashboard which includes orders and sales analysis of different region.
- Used different techniques of Excel for Data Cleaning. Used actions, interactive filters to make the dashboard user interactive.
- Created calculated columns for different visuals to show Total orders.
- Created a story using 2 dashboards and different sheets.
- Used some KPIs and conditional formatting for showing Impact of sales to different region.

Sales analysis (Excel) - (link)

- Implemented slicers to enable the selection of sales data based on specific criteria such as month, category, and gender.
- Cleaned the data by sorting it, removing duplicates and null values.
- Utilized various charts to visualize sales data interactively.
- Used pivot table to create chart and created an interactive dashboard.

TECHNICAL SKILLS

EDUCATION

B.Tech Information Technology (2022 - 2026)

Swarni Vivekanand College of Engineering, Indore, M.P.

12Th PCM (2021 - 2022)

G.H.S.School Pagara, Guna M.P.

EXPERIENCE

Data Analyst GRN Bill Analysis (07/2025

D.Mart silver spiring 452020 indore
